

GRIL POLICIES & PROCEDURES			
Policy Name	Quality Policy	Number	GRIL/QC/2022-5

We would strive to maintain leadership with superior objective in our work by:

- Set quality objective and ensure effective implementation at appropriate levels of the organization.
- Being a constant learning organization, benchmarking with the best industrial practices to deliver superior value to our customers.
- Comply with the project quality standards and specifications for materials, workmanship, timeliness while maintaining cost-effectiveness and competitiveness.
- Ensure involvement of all stakeholders through training, awareness, and competence building.
- Effective practice of “Quality Management System” as per ISO 9001:2015 at all levels to achieve total Quality and Business Excellence.
- Providing innovative & Cost-effective solution in Engineering & Construction with latest technology.
- By pursuing Global Sourcing, Vendor Development and Optimum inventory for complementing the Organization Supply chain.
- Integrating EHS procedures into all operation of the business unit to protect the Personnel, Environmental and Community in general.

We believe our ultimate purpose is customer satisfaction.
